

Guidance for Gyms and Indoor Pools

Per Colorado Public Health Order 20-35 and El Paso County Public Health Order 2020-06
September 24, 2020

Capacity

El Paso County Public Health Order 2020-06 sets special capacity limits for the following ONLY:

- **Gyms, athletic facilities, indoor pools and the indoor water park at Great Wolf Lodge** are limited to 50 percent of occupancy or 175 people **per confined indoor space, whichever is LESS**

Masks

Mask-wearing requirements apply to everyone indoors, including people exercising. If you are in an indoor room with other patrons who are not a part of your household, then you need to wear a mask. You may remove it temporarily if you need to catch your breath or safely perform an activity, but wear a mask as much as feasible.

Guidance

- All other portions of Public Health Order 20-28 apply. For further guidance, go to [CDPHE Personal Recreation Guidance for Safer at Home](#).
