PUBLIC HEALTH MEMORANDUM

TO: Licensed Body Art Facilities in El Paso County

FROM: Marla Luckey, Environmental Health Program Manager, El Paso County Public Health

RE: **Amended Notice of Public Health Order 20-22**

DATE: March 19, 2020

We understand this has been a difficult time for your industry and our community at large. **As of this morning, body art facilities (including piercing facilities) are closed through April 30th by this Amended Notice of Public Health Order (attached).** This is a Public Health Order for the State of Colorado. Language in this amended order includes “nonessential personal services,” including body art facilities.

Your compliance with this order is necessary to contain further community transmission of COVID-19. Please note that this Order contains language for significant fines for continuing to operate during this mandatory closure.

Please contact us with questions.
