Personal Protective Equipment Donations

Personal Protective Equipment, cloth face mask donations accepted Tuesdays/Thursdays

Cloth face masks

Because many county and city staff are out serving the public every day, there is a need for thousands of masks for our public servants. Anyone who has the skill set and the desire to help our community, is encouraged to help make and donate cloth masks. The [Colorado Mask Project](#) offers guidance and mask patterns.

*Masks for first responders must adhere to the following guidance: <https://bit.ly/EPCPHFaceCoverings>

Personal Protective Equipment

In addition to accepting donations for cloth masks, the Pikes Peak Regional Office of Emergency Management continues to accept unused personal protective equipment to distribute among our local hospitals, long-term care facilities, first responders, and hospice.

- Eye protection & goggles
- Face shields
- Surgical masks
- Sterile & non-sterile gloves
- Disposable gowns
- N95 Masks
- Sanitation Wipes
- Personal Wipes

**Cloth masks and PPE will be gladly accepted:
Tuesdays and Thursdays, 1 – 4 p.m.
Pikes Peak Regional Office of Emergency Management
3755 Mark Dabling, Colorado Springs, 80907**

Call (719) 373-5874 to arrange pickups of larger donations that cannot be dropped off during the above times.
