

Personal Services

During the Safer at Home Order

Employees and Work Spaces

- Adhere to social distancing requirements:
 - Six feet between employees and customers when not performing a direct service
- A single business space cannot exceed 50 percent occupancy, or 10 people (employees and customers), whichever is smaller, at any time
- Strict hygiene guidelines and disinfection procedures for all contact surfaces and tools/equipment (including tanning beds, salon chairs, etc.)
- Post signage for employees and customers on good hygiene and safety measures being taken
- Minimize contact with customers for mobile grooming services, avoid entering homes when possible
- Ensure six feet separation between workstations
- Conduct symptom and temperature checks for employees
- Services requiring close personal contact:
 - Wear face covering and gloves at all times
 - Meticulous hand-washing if gloves are not feasible
 - Change gloves and wash hands between customers (and pets)
 - Clean/disinfect all tools and workspaces between customers
 - Maintain detailed logs of customer interactions: name, date, location, phone/email contact, details of services performed
- Services with low personal contact:
 - Maintain six feet separation and adhere to limit of 10 for social gatherings
 - Require face coverings and, if feasible, gloves for all customer interactions

Customers

- Conduct symptom and temperature checks (using a temporal thermometer) for customers receiving close personal contact services
- By appointment only services (no walk-ins or waiting)
 - Schedule to allow adequate cleaning and disinfecting between customers
- Require use of face coverings by customers
 - Only services that do not require removal of the face covering can be performed
- Communal gathering places (locker rooms/waiting rooms) are prohibited
- Contactless payment options are preferred
- Pet services: training, adoption, pet transportation:
 - No more than 10 people, including service provider, may be present for any service. Social distance must be maintained.

Personal Services include but are not limited to:

Low Contact Services:

- Movers
- Repair services
- Tanning services
- Dry cleaner
- Pet services
- Pastoral services

Close Contact Services:

- Hair Salon/Barber
- Nail salons
- Esthetician
- Cosmetology
- Massage (not in health care setting)
- Body artist

This guidance is intended to provide a summary of applicable provisions of CDPHE Amended Public Health Order 20-28 and does not contain all of the requirements set forth therein. In addition, while every effort will be made to keep the information in this guidance current, Public Health Orders may be amended from time to time. Please review the most recent version of Public Health Order 20-28 Safer at Home on CDPHE's COVID-19 website. If there are any conflicts between the Public Health Order and this guidance, the Public Health Order controls.
