TB Update and Tuberculin Skin Testing Practicum for Health Care Providers

Course Objectives
At the end of this course, participants will be able to:

- Express an increased and updated knowledge of TB infection and TB disease
- Demonstrate their skill in placing and reading the TST
- Enable participants to provide training to other providers at their site on TST placements and reads. Using this ‘train the trainer’ model

Wednesday April 2nd, 2014  12:30 p.m. to 5 p.m.

El Paso County Public Health –Snow/ Miller Conference Room
1675 W. Garden of the Gods Rd., Ste. 2044, Colorado Springs, Co 80907
